\* These Priority Industry Qualifications List (PIQL) 2016 courses are available on the PIQL 2017 under transitional arrangements, enabling PIQL course fee rates to apply for units commenced in 2017 for new and continuing students. These courses are considered transitional in 2017, as they did not meet the specified criteria for inclusion on the PIQL 2017.

It should be noted, the PIQL course fee rate may not apply for these courses in 2018 if they are not included on the PIQL 2018. If these courses are classified as General Industry Training (GIT) in 2018, any units commenced in 2018 by both new and continuing students will be subject to the GIT course fee rate.

Notes:

The Department will fund qualifications in line with the transition of training products outlined in the [Standards for Registered Training Organisations \(RTOs\) 2015](#).

The Department will review replacement qualifications on a monthly basis to determine their eligibility for the list and the decisions will be reflected in an update of the Priority industry qualifications list at the end of each month.
