

FACT SHEET/FORM

Updating employer details

During the course of a training contract, an employer can update certain details in the training contract if they have changed or are incorrect. The employer can request to:

- change the business' head office address;
- change the postal address;
- add a new site address;
- add or remove a trading name; and/or
- update the employer's contact details.

Most of these details can be updated via the Western Australian Apprenticeship Management System (WAAMS) online client portal at waamsportal.dtwd.wa.gov.au. WAAMS provides 24/7 online access to manage your training contracts and submit changes. Where possible, change requests submitted via the WAAMS client portal will be instantly approved.

As an alternative you can complete and sign the attached form before submitting it to the Apprenticeship Office at apprenticeshipoffice@dtwd.wa.gov.au.

Change of ABN

The Australian Business Number (ABN) is the legal identifier of a business and a change to it means a change of the legal entity for the employer to a training contract. Therefore the assignment of training contract process should be followed to transfer the training contract from one legal entity to another.

Please refer to the *Assignment of a training contract to a new employer* fact sheet and form on the Apprenticeship Office website at dtwd.wa.gov.au/apprenticeship-office for more information regarding the assignment process.

**The term 'apprentice' includes apprentices, trainees, cadets and interns.*
