1 INTRODUCTION

Through the *Apprenticeship and Traineeship Policy* the Department of Training and Workforce Development (Department) provides financial assistance to support off the job training being delivered to apprentices (including trainees, cadets and interns) who are, or would normally be, required to travel long distances to attend off the job training. This financial assistance is the Travel and Accommodation Allowance (TAA).

The Procedures for the Travel and Accommodation Allowance for Apprenticeships (TAA Procedures) are published on the Department's website providing an outline on eligibility, entitlement and claiming procedures for apprentices and training providers. In this document the term Apprentice is used to refer to Apprentice, Trainee, Cadet and Intern.

These procedures will assist apprentices, employers and training providers to understand:

- their eligibility for assistance;
- their entitlements; and
- their roles and responsibilities.

The travel and accommodation allowance rates for apprentices are detailed in Appendix A.

A series of 'Quick Guides' outlining eligibility and entitlements for apprentices; employers and training providers are contained in Appendix B.

Answers to some frequently asked questions by apprentices are contained in Appendix C.

A glossary of terms used in these procedures is provided in Appendix D.

These *TAA Procedures* should be read in conjunction with the *Apprenticeship and Traineeship Policy* which can be found under <https://www.dtwd.wa.gov.au/about-us#Policy>.

2 ELIGIBILITY

2.1 APPRENTICES TRAVELLING TO ATTEND OFF THE JOB TRAINING

2.1.1 APPRENTICE ELIGIBILITY CRITERIA

An apprentice is eligible to claim a Travel and Accommodation Allowance when:

- (i) they have a training status of Active or Suspended on the Department's Western Australian Apprentice Management System (WAAMS) at the time of undertaking off the job training (including the scheduled Capstone Assessment for Electrical trades);
- (ii) they are enrolled with a training provider for the period they are claiming TAA;
- (iii) the Department funds the off the job training;

- (iv) they have a residential address within Western Australia;
- (v) they are required to travel 71 kilometres or more (round trip) from their residential address to attend the closest training venue of all training providers able to deliver the off the job training; and
- (vi) they are the only apprentice claiming travel allowance if travelling in the same private vehicle to and/or from the training venue with one or more other apprentices.

An apprentice is ineligible for this allowance when:

- (vii) the off the job training is conducted at an apprentice's place of employment;
- (viii) they are paid a travel and/or accommodation allowance by their employer while attending off the job training; or
- (ix) their employer incurs the total cost of the travel and/or accommodation.

When more than one apprentice is travelling in the same private vehicle only one apprentice (who is usually the driver of the vehicle) is eligible to claim travel allowance. However the remaining apprentices who travel in the vehicle are eligible to claim accommodation allowance if they are required to temporarily live away from home to attend the approved training.

If an apprentice drives a company car to attend off the job training they are not entitled to claim travel allowance.

If an apprentice is driven by their parent in a private vehicle to attend off the job training, the apprentice is eligible to claim travel allowance.

If an apprentice lives in a regional or remote area and usually attends a training venue in the metropolitan area but arrangements are made for the lecturer to travel to deliver the off the job training, the apprentice is not eligible to claim TAA to travel to the metropolitan area to attend the off the job training.

Where an apprentice travels interstate to attend off the job training and there is a training provider scoped, able and funded to deliver the qualification in Western Australia the apprentice will not be eligible for TAA assistance.

2.1.2 MINIMUM DISTANCE REQUIREMENTS FOR APPRENTICE TRAVEL

To claim assistance the minimum round trip distance an apprentice must travel from their residential address to the closest training venue of all training providers able to deliver the off the job training is:

- 71 kilometres or more for travel allowance;
- 150 kilometres or more for accommodation allowance; and
- 1100 kilometres or more for airfare travel.

Note: Distances are measured by Google Maps.

The closest training provider is the one that has a training venue located the shortest possible road distance from the apprentice's residential address (regardless of the method of transport used to get to the training venue) **or**:

- where an apprentice travels by bus or train to the training venue (71 to 1099 kilometres round trip) — the one with a training venue accessed by the most direct bus or train route from the apprentice's residential address; or
- where an apprentice travels by plane (1100 kilometres or more round trip) — the one with a training venue accessed by the most direct plane route from the apprentice's residential address.

2.1.3 TRAVEL AND ACCOMMODATION ENTITLEMENTS FOR APPRENTICES

The closest training provider does not have to be chosen to deliver the off the job training. However, an apprentice is only entitled to TAA calculated on the basis that they attended the closest training provider, regardless of the actual distance travelled.

An apprentice will only be provided with financial assistance to attend off the job training interstate where there is no training provider scoped and able to deliver the qualification in Western Australia.

An apprentice is entitled to claim the following based on the round trip distance travelled to the closest training provider:

- less than 71 kilometres – no assistance;
- between 71 and 149 kilometres - travel allowance only; and
- 150 kilometres or more - travel and accommodation allowance.

The travel allowance an apprentice is eligible to claim based on the round trip distance travelled is:

- between 71 and 1099 kilometres - private transport allowance or a return fare for bus or train travel; and
- 1100 kilometres or more - a return economy airfare.

An Airport Transfer Subsidy is also payable (see Appendix A).

If an apprentice lives in a regional or remote location and travels 71 kilometres or more (round trip) from their residential address to the airport they are also eligible for travel allowance for travel by private transport, bus or train from their residential address to the airport. The apprentice will also be entitled to the allowance on their return trip from the airport to their residential address.

If an apprentice travels by bus, train or plane an Accommodation Transfer Subsidy is available for travel from their place of arrival to their temporary accommodation and from their temporary accommodation to their place of departure (see Appendix A).

If an apprentice intends to travel by private vehicle when they are eligible to travel by plane, they must inform the training provider before travel

arrangements are made. They can be paid a reduced travel allowance not exceeding the value of a return economy airfare.

If an apprentice lives in a regional or remote area and is enrolled with a training provider in the metropolitan area and arrangements are made for the lecturer to travel to the area to deliver off the job training, the apprentice is not eligible to claim TAA to travel to the metropolitan area to attend the off the job training.

DAY RELEASE ATTENDANCE

An apprentice is eligible for one return trip for each off the job training day attended for Day Release training when the distance travelled is between 71 kilometres and 500 kilometres (round trip).

The exception to this is an apprentice undertaking the scheduled Capstone Assessment for Electrical Trades. They are eligible for TAA if they travel 71 kilometres or more (round trip) to undertake the assessment.

BLOCK RELEASE ATTENDANCE

Block release is a scheduled period of continual attendance at the training provider's premises which is usually of two weeks duration or as a minimum of five business work days.

An apprentice is usually only entitled to accommodation allowance when attending block release off the job training.

An apprentice is:

- Eligible for one return trip per scheduled block release.
- Responsible for the travel cost if they choose to return to their usual residence on the weekends during a block but is eligible for the travel allowance if they are not claiming the accommodation allowance for the weekends. In this case the travel allowance is capped to the daily amount of the accommodation allowance.
- Ineligible to receive the respective night's accommodation allowance if they take any unauthorised absence from the approved off the job training.
- Eligible to claim the day either side of the attendance period to assist travelling to their scheduled Block Release program. Apprentices unable to obtain flights or public transport within one day of the attendance period are permitted to claim accommodation for additional nights, subject to prior Departmental approval.

Travel allowance is not payable for travel between the temporary accommodation and the training venue.

2.1.4 EMPLOYER ELIGIBILITY AND ENTITLEMENT

An employer is eligible to claim TAA when:

- they have paid their apprentice's travel and/or accommodation costs to attend off the job training as required;
- their apprentice meets eligibility criteria (i) to (vi) in Section 2.1.1 and their apprentice would not be ineligible due to (vii) and (viii) in Section 2.1.1; and
- their apprentice has not received TAA.

The entitlement of eligible employers varies depending on the method of transport used by an apprentice (based on their eligibility requirements).

Where the apprentice travels by:

- private transport and the employer pays the apprentice a travel allowance, the employer is eligible to claim the travel allowance rate payable to an apprentice (see Appendix A);
- bus or train and the employer pays the apprentice's fare, the employer is eligible to claim the cost of the fare; or
- plane and the employer arranges for the travel to be booked and paid for by the apprentice's training provider, the Department will reimburse the training provider.

The maximum accommodation allowance that an employer can claim is the accommodation allowance rate payable to apprentices (see Appendix A).

Employer claims must be lodged online on the TAA Portal with supporting documentation.

2.1.5 TRAINING PROVIDER ELIGIBILITY AND ENTITLEMENT

When an apprentice travels by plane (subject to eligibility criteria and entitlements based on distance travelled) to attend off the job training the training provider is required to arrange and pay for the transport from the apprentice's residential address to the vicinity of the training venue. The training provider is eligible to claim TAA for the travel purchased.

If the apprentice attends the closest training provider able to deliver the off the job training, the Department will reimburse the training provider the full transport costs.

The Department will only reimburse a training provider for travel purchased for eligible apprentices (see Section 2.1.1) in accordance with their entitlement (see Section 2.1.4).

A training provider is not usually entitled to claim reimbursement for an apprentice's accommodation costs.

Training provider claims must be lodged online on the TAA Portal with supporting documentation.

2.1.6 APPRENTICES NOT ATTENDING THE CLOSEST TRAINING PROVIDER

If airfares or public transport and/or accommodation are purchased for an apprentice to attend a training provider that is not the closest training provider, the purchase cost will be compared to the estimated cost of travel to and accommodation near the closest training provider. The lesser amount will be the travel allowance payable.

If any employer chooses not to enrol an apprentice with the closest training provider, and the training provider arranges the apprentice's transport and accommodation, the training provider is not expected to pay for transport and accommodation costs for which it will not be fully reimbursed. In such cases, costs incurred are the responsibility of the employer.

2.1.7 CANCELLATIONS AND RESCHEDULED TRAVEL ARRANGEMENTS

Where an apprentice, training provider or employer needs to reschedule travel arrangements, thereby incurring additional cost(s), the Department may approve these on a case-by-case basis. Where a travel arrangement is rescheduled and a credit is issued to the training provider by the travel operator this credit must be used for the next travel arrangement of this apprentice/trainee.

If an apprentice travels by plane, bus or train and misses a booked journey without a valid reason, the Department will not pay for another trip.

2.1.8 CLAIMS LODGEMENT TIMELINE

All claim forms and supporting documentation must be lodged online **within 60 days** of the completion of an apprentice's off the job training or attendance period. Claims that do not meet the 60 day timeframe are not eligible for payment.

2.2 LECTURERS TRAVELLING TO DELIVER OFF THE JOB TRAINING

2.2.1 TRAINING PROVIDER ELIGIBILITY

A training provider is eligible to apply for financial assistance for lecturers to travel to deliver block release off the job training to a group of apprentices when:

- (i) the arrangement is academically beneficial for the apprentices;
- (ii) the training is specified to be delivered at the training provider's premises in the apprentice's training plan;
- (iii) apprentices attending the training would have been eligible for TAA (meets eligibility criteria (i) to (vi) in Section 2.1.1) if the lecturer had not travelled to deliver the off the job training;

- (iv) the amount payable to the training provider will not exceed the total TAA entitlement that would have been payable to the apprentices receiving the training (see Sections 2.1.2 and 2.1.4);
- (v) all parties to the training contract agree to the arrangement; **and**
- (vi) the training provider submits a *Travel and Accommodation Allowance (TAA) Claim Form for Lecturer* which is approved by the Department prior to the training being delivered.

To be eligible for this allowance a training provider must meet **all** of these eligibility criteria.

A training provider is ineligible for this allowance when they receive departmental funding at a regional rate to deliver training in the region.

2.2.2 CLAIMS LODGEMENT TIMELINE

A training provider must lodge their claim and supporting documentation online for reimbursement **within 60 days** of completion of the training. Claims that do not meet the 60 day timeframe are not eligible for payment.

2.3 CALCULATING DISTANCE TRAVELLED

When calculating travel allowances payable under the TAA, travel distances are measured by Google Maps.

3 CLAIMS

3.1 GOODS AND SERVICES TAX (GST)

On advice from the Australian Taxation Office, GST does not apply to this allowance.

All claimed amounts must be exclusive of GST. The only exception to this is if the organisation that paid these expenses is not registered for GST.

3.2 SUBMITTING CLAIMS

All TAA claims must be lodged online through the TAA Portal within **60 days** of the completion of the apprentice's training or attendance period.

For information on how to lodge a claim and access the user guides visit our website: www.dtwd.wa.gov.au/taa

3.3 PAYMENT OF ALLOWANCES

The Department will pay TAA claims directly through Electronic Funds Transfer (EFT) into the claimant's nominated bank account.

3.4 AUDIT BY THE DEPARTMENT

The Department will regularly conduct a review of claim forms from all training providers associated with processing TAA claims in accordance with the *Apprenticeship and Traineeship Policy*, *TAA Procedures* and the *Financial Management Act 2006*.

4 ROLES AND RESPONSIBILITIES

4.1 APPRENTICES

- 1 Be aware of the eligibility criteria for claiming travel or accommodation allowance prior to attending off the job training.
- 2 Arrange temporary accommodation for the duration of the training period (unless this is arranged and paid for by your employer). Accommodation should be close to the training venue since travel between the accommodation address and the training venue is at your own expense.
- 3 If you pay for your own bus or train ticket to travel outside the metropolitan area or your local area (if you live in the non-metropolitan area), ensure you submit your receipt when you claim travel allowance.
- 4 Board flights or public transport booked by the training provider.
- 5 If you fail to board your flight, bus or train without a valid reason, the Department will not pay for another ticket.
- 6 Update any changes to your residential address prior to the commencement of training by logging into WAAMS.
- 7 If you intend to travel by private transport when you are eligible to travel by plane, you must inform the training provider before travel arrangements are made. You will be paid a reduced travel allowance not exceeding the value of a return economy airfare.
- 8 If required, ensure you, or your employer, submits an application for exceptional circumstances before any travel is arranged.
- 9 If you travelled by private transport or paid for your own bus or train ticket or accommodation, ensure that your TAA claim is lodged online correctly. You should ensure:
 - travel receipts and other documents are uploaded in support of claims for travel allowance if you travelled outside the metropolitan area or your local area (if you live in the non-metropolitan area) and purchased your own ticket (Transperth receipts are not required to be submitted); and
 - accommodation receipts are uploaded in support of claims for accommodation allowance.

Note: The 'private accommodation receipt' template is the preferred receipt to use for claiming private accommodation expenses and can be downloaded at <https://www.dtwd.wa.gov.au/about-us#guidelines>. A valid private accommodation receipt needs to include the address of the residence where you stayed, the dates of accommodation, the amount you paid and the contact details of the person who provided the receipt.

- 10 Log into the TAA Portal to lodge your claim at the completion of the training period i.e. the week after Block Release or the end of each term for Day Release.
- 11 Ensure your claim and receipts are submitted online no more than **60 days** after the last day of training.
- 12 Keep a copy of the receipts until you receive payment for that claim.

4.2 EMPLOYERS

- 1 Be aware of the eligibility criteria for you to be reimbursed for the travel and/or accommodation costs paid by you for your apprentice to attend the off the job training specified in their training plan.
- 2 If your apprentice travels by plane to attend off the job training (subject to the eligibility criteria and entitlements based on distance travelled) ensure their training provider arranges and pays for the travel.
- 3 If you have paid any of your apprentice's travel and/or accommodation costs to enable them to attend off the job training, lodge your claim and supporting documentation online through the TAA Portal at the completion of the training period; the week after Block Release or the end of each term for Day Release.
- 4 Upload copies of invoices/tax invoices or other supporting documentation to support the amount(s) claimed for travel and/or accommodation.
- 5 Ensure the TAA claim and supporting documentation are lodged online within 60 days after the last day of training.
- 6 Keep receipts and supporting documentation until you receive payment for the claim.

4.3 TRAINING PROVIDERS – APPRENTICE TRAVEL

- 1 Explain the *TAA Procedures* to both the apprentice and the employer at the time of enrolment and particularly the implications of not using the closest training provider to deliver the approved training specified in the apprentice's training plan.
- 2 Verify an apprentice's attendance at off the job training.

- 3 In situations where an apprentice travels by plane to attend off the job training (subject to the eligibility criteria and entitlements based on distance travelled), the training provider must arrange and pay for the transport from the apprentice's residential address to the vicinity of the training venue. Reasonable fares must be purchased.
- 4 When an apprentice travels outside the metropolitan area or their local area (if they live in the non-metropolitan area) by bus or train to attend the off the job training, a training provider can arrange and pay for the travel.
- 5 Contact your training provider WAAMS system administrator if you require system access to the TAA Portal to lodge claims.
- 6 Lodge claims for reimbursement for travel purchased for apprentices to attend off the job training electronically on the TAA Portal.
- 7 Ensure that each lodgement (group of claims submitted for payment) is supported by:
 - copies of invoices/tax invoices from travel agents/vendors or other supporting documentation which identifies the amount(s) claimed;
 - the full names of apprentices travelling; and
 - dates of travel.
- 8 Ensure claims, receipts and supporting documentation are submitted on the TAA Portal within **60 days** of the completion of the apprentice's training or attendance period.
- 9 Keep all original documentation including the travel receipts and other documentation with the apprentice's normal records for a period of seven years.
- 10 Allow departmental staff to enter and access documents during business hours, upon reasonable notice being given, for auditing purposes.

4.4 TRAINING PROVIDERS – LECTURER TRAVEL

- 1 Be aware of the eligibility criteria for your organisation to be reimbursed for the travel and/or accommodation costs paid by you for your lecturer to deliver off the job training to a group of apprentices.
- 2 Ensure the *Travel and Accommodation (TAA) Claim Form for Lecturers* is correctly completed prior to the training being held. Email the claim form and supporting documentation to the Department at taarto@dtwd.wa.gov.au.
- 3 If approved, conduct the off the job training.
- 4 Forward the completed claim form; supporting documentation; and tax invoice for the amount claimed addressed to the Department to taarto@dtwd.wa.gov.au within **60 days** of the completion of the training.

- 5 Keep all original documentation including the hardcopy completed claim form, travel receipts and other documentation for a period of seven years.
- 6 If your organisation ceases to operate, forward the original claim form documentation to the taarto@dtwd.wa.gov.au for retention.
- 7 Allow departmental staff to enter and access documents during business hours, upon reasonable notice being given, for auditing purposes.

4.5 DEPARTMENT OF TRAINING AND WORKFORCE DEVELOPMENT

- 1 Reviews all claims lodged on the TAA Portal in accordance with the TAA Procedures.
- 2 Ensure all completed and compliant claims for travel and accommodation are reviewed and paid within 30 days of being submitted online.
- 3 The Department may consider on a case by case basis exceptional circumstances outside the normal eligibility criteria that arise.

The applicant (the employer or apprentice or training provider) must apply in writing (by letter or email) to the Department fully outlining the reasons for the request for exceptional circumstances to claim TAA outside the normal eligibility criteria.

Approval must be provided by the Department prior to the relevant travel occurring.

Approval for an exceptional circumstance is only valid for an agreed duration. If the exceptional circumstance is ongoing, approval will only be given until the end of the current academic year. Approval will need to be sought for any continuation of a particular exceptional circumstance beyond these dates.

- 4 In relation to claims from training providers for lecturers to travel to deliver off the job training to a group of apprentices, the TAA Administration Officer:
 - processes the *Travel and Accommodation (TAA) Claim Form for Lecturers* in accordance with these procedures;
 - forwards the request to their line manager for approval; and
 - informs the applicant of the outcome within five to seven working days, subject to complete information being provided by the applicant.
- 5 Review these procedures every two years.

APPENDIX C FREQUENTLY ASKED QUESTIONS BY APPRENTICES

1 I didn't keep any of the bus/train receipts for my travel to training. Can I still claim a travel allowance?

Yes - if you travelled by bus or train within the metropolitan area or your local area you can still claim travel allowance without a receipt.

No – if you travelled by bus or train outside the metropolitan area or your local area and you paid for your ticket you cannot claim travel allowance unless you upload your receipt on the TAA Portal.

2 The accommodation allowance doesn't cover my expenses. If I provide receipts will you reimburse the full cost of accommodation?

No. The accommodation allowance is paid up to the prescribed rate outlined in these procedures and is not designed to fully reimburse costs. Receipts for accommodation expenses must be uploaded on the TAA Portal to claim accommodation allowance.

3 While attending Block Release my temporary accommodation address is 71 kilometres or more from the training venue. Can I claim travel to training from this address?

No. As you are eligible for the accommodation allowance it is expected that any accommodation arranged is as close to the training venue as possible to minimise costs incurred by you to travel to training each day.

4 I caught a cab/shuttle bus from my place of residence to the airport and from point of arrival to my temporary accommodation. Can I claim these fares?

A subsidy of up to \$20 is available for travel from your point of arrival (airport/train station/bus station) to your temporary accommodation and from your temporary accommodation to your point of departure. Also, from your residential address to local point of departure (airport/train/bus station) and back to residential address.

5 I live in a remote area and travel to training by air/bus/train. To reach the nearest airport/place of departure I have to drive a round trip of 80km. Can I claim an allowance for private travel?

Yes. If you live in a regional or remote location and travel 71 kilometres or more (round trip) from your residential address to the airport you are eligible for travel allowance.

6 I didn't lodge a claim when I finished training and the 60 day deadline for submitting the claim on line has now lapsed. Will I receive payment if I hand the form in now?

No. TAA claims submitted after the 60 day deadline will not be accepted. It is your responsibility to make sure that TAA claims are lodged online by the required time.

7 My claim was lodged online and I haven't been paid yet. What should I do?

Please allow 30 days for processing before contacting the Department. Please ensure that your claim is completed correctly on the TAA Portal and receipts uploaded are legible. If you have not received payment after 30 days of lodging your claim, you can contact the Department's TAA general enquiries line on 6551 5494 or email taa@dtwd.wa.gov.au
