

# Teaching resources product list

Product code	Product title
52-409	Health and Community Service: Health mathematics: Sections 1–7
AA045	Health and Community Service: Health mathematics
AA175	Gardening Principles and Practices
AA176	Field Soils
AA200	Asexual Propagation
AUT031	Fabricate Parts for Sub-Assemblies
AUT032	Perform Gas Metal Arc Welding
AUT033	Prepare and Operate Equipment, Tools and Machinery: Hand Tools
AUT034	Prepare and Operate Equipment, Tools and Machinery: Power Tools
AUT035	Modify or Repair Chassis/Frame and Associated Components
BC016	Introduction to Surveying: Second Edition
BC026	Painters Estimating and Specifications: Second Edition
BC1091	Surveying Computations
BC1565	Diploma of Building and Construction (Building) and Certificate IV in Building And Construction (Building): Site File

Product code	Product title
BC1567	Diploma of Building and Construction (Building) and Certificate IV in Building and Construction (Building): Commercial Contracts Pack 1
BC1568	Diploma of Building and Construction (Building) and Certificate IV in Building and Construction (Building): Commercial Drawings Pack 1
BC1569	Diploma of Building and Construction (Building) and Certificate IV in Building and Construction (Building): Residential Drawings Pack 1
BC1571	Diploma of Building and Construction (Building) and Certificate IV in Building and Construction (Building): Commercial Drawings Pack 2
BC1572	Diploma of Building and Construction (Building) and Certificate IV in Building and Construction (Building): Residential Contracts Pack 2
BC1573	Diploma of Building and Construction (Building) and Certificate IV in Building and Construction (Building): Residential Drawings Pack 2
BC1574	Diploma of Building and Construction (Building) and Certificate IV in Building and Construction (Building): Commercial Contracts Pack 3
BC1575	Diploma of Building and Construction (Building) and Certificate IV in Building and Construction (Building): Commercial Drawings Pack 3
BC1576	Diploma of Building and Construction (Building) and Certificate IV in Building and Construction (Building): Residential Contracts Pack 1
BC1899	Elements of Administration: Diploma of Building and Construction
BC1900	Introduction to Site Management: Diploma of Building and Construction
BC1924	Produce Simple Word Processed Documents: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1927	Produce Simple Word Processed Documents: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1928	Work Placement Guide for Learners: Certificate II in Building and Construction (Pathway – Paraprofessional)
BC1929	Work Placement Guide for Industry Mentors: Certificate II in Building and Construction (Pathway – Paraprofessional)
BC1930	Apply Principles of Sustainability in Residential Building Practices: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1931	Apply Principles of Sustainability in Residential Building Practices: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1933	Create and Use Spread Sheets: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1934	Read and Interpret Plans and Specifications: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide

Product code	Product title
BC1935	Read and Interpret Plans and Specifications: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1936	Apply Knowledge of Residential Building Processes and Materials: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1937	Apply Knowledge of Residential Building Processes and Materials: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1938	Participate in OHS Processes: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1939	Participate in OHS Processes: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1940	Carry Out Basic Measurements and Calculations for Residential Buildings: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1941	Carry Out Basic Measurements and Calculations for Residential Buildings: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1942	Develop Residential Building Industry Knowledge: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1943	Develop Residential Building Industry Knowledge: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1944	Undertake Basic Estimation and Costing from Contract Documents: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1945	Undertake Basic Estimation and Costing from Contract Documents: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1946	Undertake Application of Building Codes and Standards to Residential Buildings: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1947	Undertake Application of Building Codes and Standards to Residential Buildings: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1948	Use CAD Software Template to Produce 2-D Drawings of Residential Buildings: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1949	Use CAD Software Template to Produce 2-D Drawings of Residential Buildings: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1952	Communicate in the Workplace: Certificate II in Building and Construction (Pathway – Paraprofessional): Learner’s Guide
BC1953	Communicate in the Workplace: Certificate II in Building and Construction (Pathway – Paraprofessional): Lecturer’s Guide
BC1955	Materials
BC2012	Work Safely in the Furniture-Making Industry

Product code	Product title
BC2013	Join Solid Timber
BC2014	In the Workshop
BC2015	Use Furniture-Making-Sector Hand Tools and Power Tools
BC2017	Apply Sheet Laminates by Hand
BC2018	Prepare Surfaces for Finishing
BC2019	Hand Make Timber Joints
BC2095	Apply OHS Requirements, Policies and Procedures in the Construction Industry: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2096	Carry Out Measurements and Calculations: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2100	Conduct Workplace Communication: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2101	Conduct Workplace Communication: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2115	Work Effectively and Sustainably in the Construction Industry: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2117	Work Effectively and Sustainably in the Construction Industry: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2118	Read and Interpret Plans and Specifications: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2119	Read and Interpret Plans and Specifications: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2120	Carry Out Measurements and Calculations: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2121	Plan and Organise Work: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2122	Plan and Organise Work: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2123	Apply OHS Requirements, Policies and Procedures in the Construction Industry: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2176	Work Placement Guide for Industry Mentors: Certificate II in Building and Construction (Pathway – Trades)

Product code	Product title
BC2177	Work Placement Guide for Learners: Certificate II in Building and Construction (Pathway – Trades)
BC2188	Handle Carpentry Materials: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2189	Handle Carpentry Materials: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2190	Use Carpentry Tools and Equipment: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2191	Use Carpentry Tools and Equipment: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2196	Work Safely at Heights: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2197	Work Safely at Heights: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2198	Carry Out Levelling Operations: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2199	Carry Out Levelling Operations: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2200	Erect and Dismantle Restricted Height Scaffolding: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2201	Erect and Dismantle Restricted Height Scaffolding: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
BC2202	Carry Out Setting Out: Certificate II in Building and Construction (Pathway – Trades): Learner’s Guide
BC2203	Carry Out Setting Out: Certificate II in Building and Construction (Pathway – Trades): Lecturer’s Guide
EA706.WA/SWB	Fluid Mechanics 1 – Second Edition
EA854	Mechanical Equipment – Second Edition
EA860	Mining 1
EA883	Simplified Stability Information for MV 'TWO SUCH'
ENG076	Trade Calculations for Fabricators
ENG089	Fabrication: Fabrication Information Book

Product code	Product title
ENG090	Metals and Fabrication: Engineering Drawing Interpretation
ENG091	Metals and Fabrication: Geometric Development
ENG092	Introduction to Welding: Gas and Thermal Processes
ENG093	Arc Welding 1 – Basic Arc Welding Information Book
ENG094	Arc Welding 2 – Intermediate Arc Welding Information Book
ENG1040	Metals and Fabrication: Perform Calculations
ENG1041	Metals and Fabrication: Perform Engineering Measurements
ENG1145	Apply Mathematical Techniques in a Manufacturing, Engineering or Related Environment
ENG1146	Use Quadratic, Exponential, Logarithmic and Trigonometric Functions and Matrices
ENG1290	Metals and Fabrication: Arc Welding 1: Basic Arc Welding – Review Questions
ENG1292	Metals and Fabrication: Arc Welding 2: Intermediate Arc Welding – Review Questions
ENG1295	Metals and Fabrication: Introduction to Metallurgy: Weldability of Metals – Review Questions
ENG1296	Metals and Fabrication: Introduction to Welding: Gas and Thermal Processes – Review Questions
ENG1691	Perform Ultrasonic Testing – Workbook
ENG1769	Metals and Fabrication: Arc Welding 3: Advanced Arc Welding Information Book – Learner’s Guide
ENG1770	Metals and Fabrication: Arc Welding 3: Advanced Arc Welding Information Book – Review Questions
ENG2068	Pipe Fabrication: Materials, Drawing and Fabrication Methods (New Version: 2013)
ENG549	Introduction to Metallurgy: Weldability of Metals
ENG705	Certificate IV in Engineering (Fluid Power) – Practical Workbook 1

Product code	Product title
ENG706	Certificate IV in Engineering (Fluid Power) – Practical Workbook 2
ENG707	Certificate IV in Engineering (Fluid Power) – Student Workbook 1
ENG708	Certificate IV in Engineering (Fluid Power) – Student Workbook 2
ENG709	Certificate IV in Engineering (Fluid Power) – Student Workbook 3
ENG710	Certificate IV in Engineering (Fluid Power) – Student Workbook 4
ENG721	Common Arc Welding Processes: Introduction
ENG722	Basic Manual Metal Arc Welding
ENG723	Basic Gas Welding and Cutting
ENG970	Maintain Hydraulic System Components
ENG971	Maintain Hydraulic Systems
ENG972	Maintain Pneumatic System Components
ENG973	Maintain Pneumatic Systems
EXTERNAL1886	Tracks to Two-Way Learning
HC1619	Working in Early Childhood: Facilitator Guide
HC1957	Maintain Infection Control in Dental Practice
HC1959	Participate in WHS Processes
HC2070	Work Placement Guide for Students: Certificate II in Hairdressing
HC2072	Work Placement Guide for Industry Mentors: Certificate II in Hairdressing
MAR041	Cargo Operations: Master Class 3 – Learner's Guide

Product code	Product title
MAR045	Cargo Operations: Master Class 3 – Resource Book
MAR046	Marine Meteorology: Supplementary Notes – Fifth Edition
MAR047	Handling Powered Vessels: Second Edition
MAR048	Stability A: Learner's Guide (Coxswain Master Level 5)
MAR049	Vessel Construction and Maintenance: Learner's Guide – Sections 1–14
MAR1142	Elements of Shipboard Safety
TA661	Building Construction: Volume 1
TB702	Building Construction: Volume 2
WADET1522	Working in Early Childhood: Book 1: Learner's Workbook
WADET1523	Working in Early Childhood: Book 2: Learner's Workbook
WADET1562	Working in Early Childhood: Book 3: Learner's Workbook
WADET1563	Working in early childhood: Book 4: Learner's Workbook
